REPORT TO COUNCIL

To: Community Redevelopment Agency Members
From: William S. Larese, Executive Director
Subject: **Update to 2015 Supplemental Community Redevelopment (CRA) Plan and Ten Year Strategic Initiatives Plan**
Department/Office: Community Development

Recommended Action:

Approve the scope from S&ME, Inc. to update the 2015 CRA Redevelopment Plan and to provide a Ten (10) Year Strategic Initiatives Plan and recommend the City Council approve the Budget Amendment to fund the scope.

Summary Explanation & Background:

Over the past year, some CRA Board members have voiced the need to update the 2015 Supplemental Redevelopment Plan based on evolving community concerns and goals. The FY2022 CRA Budget includes funding for a consultant to update the Redevelopment Plan. Staff is proposing to use a Continuing Consultant Contract with S&ME, Inc. to update the Redevelopment Plan Supplement and to provide a Ten (10) Year Initiatives Plan. The scope of services includes a review of existing conditions; a gap assessment of what goals the CRA has accomplished, what goals still need to be accomplished and what goals are no longer relevant; and review of the current planning documents regulating the CRA. The project will include a public input process and developing a list of strategies and goals for the redevelopment area. Staff has also proposed that a Ten (10) Year Strategic Initiatives Plan (Implementation Plan) be drafted to provide guidance for the CRA regarding capital projects and programs to implement over the next ten (10) years.

A copy of the project scope is attached for the CRA's review and approval. The fees and schedule for the Plan Update (\$28,060, 4 months) and Initiatives Plan (\$34,172, 3 months) are found on page 5 of the scope. A Budget Amendment is also attached to fund the project.

Alternatives:

1. Approve the proposal as submitted, and recommend the appropriate Budget Amendment be approved by City Council.
2. Approve Task 1, Plan Update but not Task 2, Initiatives Plan at this time, and recommend the appropriate Budget Amendment be approved by City Council. Approve Task 2 at a later time.
